STANDARDS & CERTIFICATION

August 19, 2011

Mr. Mark Rudek, President
Damarc Quality Inspection Services LLC
760 200th St.
Dresser, WI 54009

Subject: New Issuance of ASME Certificate of Accreditation for Authorized Inspection Agency (AIA-041)

Dear Mr. Rudek:

Enclosed is your subject Certificate.

Since a renewal notice will be mailed eight months prior to the expiration date shown on the enclosed Certificate to the individual and address shown above, it is important that we be informed of any changes. In any case, it is your responsibility that we receive renewal applications, including deposit, six months prior to the expiration of the enclosed Certificate.

We would like to call your attention to the fact that issuance of this Certificate does not indicate "approval," "certification," "rating," or "endorsement" by ASME of individuals certified by the organization under this program, and no statement may be made which might so indicate. Certificate Holders may state in advertising literature that they hold an ASME-AIA Certificate.

Very truly yours,

Bibi W. Rahim, Manager
